Cost of Attendance Worksheet

1. Search your Colleges' website for "tuition and fees." Make sure you are looking at the correct year. Complete the chart below for one year (30 credit hours). Note that full-time for a semester is typically 15 credit hours per semester or 30 credit hours for two; fall and spring.
2. Room & Board can be on campus housing, off campus housing or living at home with parents.

You may also search for a "Net Price Calculator" and use those amounts to complete this worksheet.
